

# Consent Form for User Study on Hi-Fi Prototype Usability

YOU WILL BE GIVEN A COPY OF THIS INFORMED CONSENT FORM

*Please tick the appropriate boxes*

Yes No

## Taking part in the study

I have read and understood the study information provided to me today [Insert Date]. I have been able to ask questions about the study and my questions have been answered to my satisfaction.

☒ ☐

I consent voluntarily to be a participant in this study and understand that I can refuse to answer questions and I can withdraw from the study at any time, without having to give a reason.

☒ ☐

I understand that taking part in the study involves interacting with a hi-fi prototype of a software application, which includes performing tasks such as setting a timed event (stopwatch/timer) and retrieving information from the Statistical Overview page. This process is expected to take approximately 5 minutes.

☒ ☐

## Use of the information in the study

I understand that the information I provide will be used to assess the intuitiveness of the UI, the user's ability to navigate and perform specific tasks within the application, and to gather verbal feedback on the usability and clarity of the application's features.

☒ ☐

I understand that personal information collected about me that can identify me, such as [e.g. my name or where I live], will not be shared beyond the study team.

☒ ☐

## Future use and reuse of the information by others

I give permission for the anonymized data that I provide to be archived and used for future research, educational purposes, or improvements to the application. I understand that this data will not include any information that can directly identify me.

☒ ☐

I give the researchers permission to keep my contact information and to contact me for future research projects.

☒ ☐
